- PHP, MYSQL
- Next.Js
- Wordpress

PROFILE

I'm a 19-year-old Nigerian Christian male with a passion for technology and creativity. I work as a web developer, handling both front-end and back-end projects since 2020. Alongside web development, I also focus on brand development through graphic design, web design, and digital media. I help brands grow by creating websites, managing social media pages, and producing engaging content through video and photo editing.

WORK EXPERIENCE

CODE AMBASSADORS

AUGUST - NOVEMBER 2025

Internship

- Gained hands-on experience in web development and coding practices.
- Assisted in teaching children how to code both in schools and in the office.
- Supported team projects while learning new coding concepts and improving problem-solving skills.
- Enjoyed a collaborative and engaging environment that strengthened both technical and communication abilities.

IBMSSP

AUGUST 2025

Web designer/devoloper

- Designed a fully functional website using wordpress for an upcoming agency.
- <http://ibmssp.org.ng>

TMB TECHNOLOGIES

2022 - 2024

CEO/Manager

- Started a small brand offering web development, graphic design, and brand promotion services.
- Paused operations to focus on school but currently continue projects on a solo freelance basis.
